## *The Rosa Legacy*

The first novel in The Rosa Legacy series, *Ruthless Perfection*, started with the idea of a traditional Italian mother who wanted to see her only daughter marry. The mother, Carla Rosa Neri, along with her two sisters, Francesca and Marie, had emigrated from Italy as young girls and each went off to create a dynamic and successful family. Each of the sisters had an only daughter and the cousins remained close throughout their childhoods and were influenced by the Rosa Legacy as they each embark on a journey to create a life for themselves.
